

Cover:

Isn't there a better way to stay connected?

Inside:

Yes!

Come in and close the door.

Then sit back and relax in your own private office complete with a fully-loaded desktop PC, email/Internet access, laptop connection, unlimited domestic phone/fax, and printing. All for one low, all-inclusive price!

We're Laptop Lane, located in major airports nationwide. And now in business centers across the country like the Cabana in Silicon Valley.

So next time you travel, check to see if your office on the road is ready at your next destination. We'll get you up and running fast—in comfort and privacy.

Look for Laptop Lane in major airports across the US—and now open in Javits Center, New York. We're opening more locations every month, so visit www.laptoplane.com or call 1-877-346-8340 often for all our latest locations, including international.
